Christmas Family Sponsorship

- Families who need extra help this winter can sign up for a Christmas sponsorship. They submit a wish list for each child, along with clothing and shoe sizes, and are matched with a potential sponsor. This sponsor would then buy and wrap gifts for the family. This provides more support than our normal hampers/gifts and is much more personalized. A great way for someone to make a very personal and impactful donation. If a donor would like to become a sponsor, they can contact Brigitte MacInnes, Parker Street's Director of Client Services, at brigitte.macinnes@parkerstreet.org prior to December 7, 2022.
